Dear Dr. Edeson,

I have to acknowledge the Registration Form,  
Medical Form and fee for your daughter Sally.

I note that you wish her to enter in September 1966.  
I should be grateful if you could send back the completed  
Common Entrance Form as soon as possible as they have to  
reach the centre by December 6th. I have received a letter  
from Mrs. Thomas, Sally's Headmistress; in reply I have said  
that having expressed my considered opinion as you requested  
during the interview, the decision as to whether Sally should  
come in 1966 or 1967 is entirely in your hands. I have no  
doubt in my own mind that the best age would be 11+

I am sure Sally will be very happy when she comes,  
make plenty of friends and gain confidence in every way.

Yours sincerely,

*P.M. Robinson*
